Hello Dancers and Dance Families! I am the owner and founder of Turning Out Dance Company, LLC. Along side my Husband, and three kids, we opened TODC in 2017. In the Spring of 2019 we gained the opportunity to purchase land and build a brand new dance facility for our community right on Main Street. Other than teaching class at TODC I get to coach dancers as the Head Coach of the Mitchell Junior High Dance Team. I have been coaching for Mitchell Junior High School since the fall of 2012.

When I'm not teaching, or coaching, dance you may find me running or taking a Peloton biking/fitness class. I also enjoy traveling with my family where we love to go to the mountains to ski and snowboard. We have also enjoyed our fair share of theme parks, beaches and big city time.

"Work hard, play harder".

My husband, Jordan, and I were married in June 2009 after 3 years together and us both graduating MHS; Jordan 2006 and myself in 2008. In 2010, 2013 and 2016 we welcomed our three children, Rhilyn, Rhett and Hayes. I enjoy spending life doing what I love and with the people I love.

P.S. I am a Breast Cancer Survivor  2020
